Next Meeting

The Belgian Tervuren Club of Southern California is having its next meeting on Saturday, June 12th, at the Regional Specialty in Camarillo.

Regional Specialty

The Belgian Tervuren Club of Southern California is hosting our Regional Specialty Shows June 12th and 13th in Camarillo, CA. The show site is the University Preparation School, at 550 Temple Avenue in Camarillo.

In addition to conformation and obedience, we are pleased to present a seminar on Saturday night. "TervSports" presented by Libbye Miller, DVM, is a popular, informative seminar that is not to be missed. Tickets for the seminar are \$20.00 per person, and include a catered dinner by Wood Ranch Barbeque. Check your premium list or contact Peri Norman Nishikawa for reservations and information.

Raffle Donation Needed

We will be having a raffle on Saturday at the Regional Specialty. We are looking for donations for the raffle. We can use any items, dog-related or not. Please bring the items to the specialty on

Saturday morning, and contact Jan McAninch, the raffle coordinator.

Meeting News

The meeting minutes from our meeting on May 4th have not been received in time to mail with the newsletter. Rather than hold up the newsletter, I will forward them by email when they are available, and have copies at the next meeting.

Club Logo and Website Update

Jennifer Benedict has created a lovely logo for our club. See the logo below. Be sure and tell Jennifer when you see her how much you like it and how much you appreciate the effort that went in to the design! When finalized, the logo will be used on all club correspondence, the newsletter, T-shirts, etc.

Steve Forbes has started creating the club website. It will be www.btsc.org, but don't look just yet, as it is still under construction. The website will enable members to see current officers, upcoming events, meeting locations and minutes, etc. Suggestions for content are welcome.
